EXPECTATIONS AGREEMENT

The relationship between an employer and his/her Independent Provider (IP) is frequently very personal. It requires mutual respect. The employer relies on the IP's honesty, reliability, and punctuality to accomplish daily activities. The IP relies on the same qualities from the employer. If you receive services through IHSS, a contract between you and your IP may not be legally binding, but it does define expectations. This is for your use only. Do NOT mail to In-Home Supportive Services.
