IHSS Independent Provider

training classes are completely

optional and free to take!

Public Authority Services (PA) by Sourcewise invites In-Home Supportive Services (IHSS) Independent Providers working in Santa Clara County to grow their knowledge and skills through caregiver training classes.

Eligible IHSS Independent Providers in Santa Clara County can earn certificates for completing two class series.

To be eligible, providers must be working in Santa Clara County, and connected to a consumer's case or active on the Public Authority Services Registry.

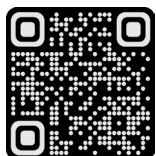

Providers registered for PA classes must follow all student guidelines, which are available on the PA website and will be mailed with class schedule confirmation letters.

Failure to follow guidelines or to notify the PA training department if you cannot attend a class you registered for three times will result in being restricted from registering for additional classes for at least one year.

Public Authority Services Class Registration Instructions

Registration for Spring 2026 classes opens

January 30, 2026

Register online at
pascc.org/services/provider-training

If this is your first time registering for PA classes online, view the tutorial video on the website above to learn how to log in to the account that has already been created for you.

No internet? No worries!

Call the PA Training Department to register for classes by leaving a voicemail with the following information:

- First & last name
- Nine-digit provider ID number or last four digits of Social Security Number
- Call back phone number (make sure your voicemail can accept messages)
- Name, date, & location (Sunnyvale, Milpitas, Morgan Hill, San Jose, Online) of EACH class you want to register for

PA Training: (408) 350-3220

Call the Training Department at least 48 hours, or as soon as reasonably possible, before any class you are registered for, but are not able to attend.

Not calling ahead will result in a no-show and cause future registration restrictions.

For online classes, the Zoom link needed to join class is emailed three days before each class.

IHSS Independent Providers in Santa Clara County earn \$35 for each PA Training Class completed until the annual Incentive Payment budget runs out!

At the end of each month, we will mail letters to confirm your class schedule or let you know if you are on a waitlist. If you are on a waitlist, we will email you as soon as a spot opens up.

To see your class schedule, waitlist position, or past training classes, log in to the class registration portal. You can find the portal on the training page at pascc.org/services/provider-training.

We will cancel any class that has fewer than ten providers signed up.
